GUESS WHAT?

I am the gossip queen
I lie about everything that I see
I only see what I want to see
I don't deny what you hear from me

Guess what?
Guess who's knocked up?
Guess who went to bed?
Guess who loves you!
Guess who hates your guts!
Guess who adores you?

Nothing can escape my eyes
Can't fool me with your lies
There's not a story I haven't heard
The latest scoop I know every word

Guess what?
Guess who told me you passed out on the floor?
Guess who told me you passed out on the floor?
Guess who told me you passed out on the floor?
Guess who told me you passed out on the floor?

SKATEBOARD

Frontside air - you beef
Backside air - you beef
Ollie Pop - you bleed
You fall down - you bleed

Skateboard is all I do
Skateboard is better than you
Acid drop the deep end
Contorted andrecht I win

Frontside air - six feet
Backside air - six feet
Ollie Pop - six feet
Indy air - contest sweep

Skateboard is all I do
Skateboard is better than you
Acid drop the deep end
Contorted andrecht I win

EDDIE AMERICA

Four crimes this see!
But you look the other way
That's where the money is
Keep on takin' care of Bix

Generals and Senators gone insane
But you look the other way
Obsessed with money and power
Must get to work can't wait an hour

All that freedom means to me
Is freedom to make now money
Fuck the hr's, Fuck the Jews
Unless they have something I can use

Don

But you look the other way
You don't give a shit
Happan will take care of it

With Reagan and the Rick get higher
But you look the other way
You think he's on your team
Shake up asshole it's a stupid dream

LET IT BIG MAN

Hey Little Big Man
You aren't so tall without your friends

as I have
I like a little
Cuz now you're
And you know
I don't care if you're sorry
I don't care if you're again
Or that it won't happen again

Hey Little Big Man
Cuz now you're
And you know
I don't care if you're sorry
I don't care if you're again
Or that it won't happen again

On the news of Channel 10
Your news team can't save you
From this gun in my hand

Cuz now the odds are even
And you know who's gonna win
Ha ha ha on you
Bill Close at Channel 10

GREAT FOULIERS?

We'd like to thank you whole lot
You went out and dropped the bomb
Too bad you aren't still alive
It's a war where the fittest survive

No more fashion conspiracies
No more football games with stupid spectators
Credit cards, melted alligators turned
This is rangers in roving packs
Bande the adaptability that you lacked
We had the prevale you rule us no more
Anarchy the adaptability that you lacked
Now it's our turn to even the score

We'd like to thank you whole lot
You're dead and society is gone
Thanks for killing the blind fool
Thanks for getting rid of your rules

KICK YOU

For 17 years you hated me
You never cared about me
Now that you're done and your life is through
Here's my chance to kick you

You laugh when you see a dog die
But when everything's alright you cry
You laugh at everything I do
Here's my chance to kick you

When the shit is in your face
When everyone hates you everywhere
When I feel good you put me down
When I'm feeling the same way about you
Here's my chance to kick you

We'd like to thank you whole lot
You're dead and society is gone
Thanks for killing the blind fool
Thanks for getting rid of your rules
